PROTECT YOUR VEHICLE AND HELP PUT THE BRAKES ON AUTO THEFT

TIP 1:

Don't leave your keyless entry fob in your vehicle or unprotected at your front entrance.

Thieves can use wireless transmitters to intercept the signal, giving them access to your vehicle.

TIP 2:

Install an electronic vehicle immobilizer that prevents thieves from hot-wiring your vehicle.

TIP 3:

Install a tracking device that emits a signal to police or a monitoring station if your vehicle is stolen.

TIP 4:

Don't make your vehicle an easy target.
